**THE POWER TEAM** is a group of world class athletes who have performed the world's greatest exhibitions of power, strength, speed, inspiration, and motivation in every state and in over 40 countries for over 30 years. These giant men, many weighing over 300 pounds, can blow up hot water bottles like balloons, snap baseball bats like twigs, lift telephone poles overhead, rip phone books and license plates like pieces of paper, and smash walls of ice and concrete. The Power Team has several world record holders, former NFL football players, and professional wrestlers. They have been endorsed by over 50 governors, senators, and congressmen for their positive contribution to the lives of America's families.

In 1976, The Power Team became the "Original" strength team and evangelistic association, utilizing visually explosive feats of strength to communicate positive messages to audiences in churches, civic centers, stadiums, and coliseums all across the nation, as well as the world. We have been featured in **People Magazine**, **The Saturday Evening Post**, and on the popular TV shows, **Walker, Texas Ranger**, **Ripley's Believe It or Not**, and most recently, several appearances on **Steve Harvey's Big Time Show on the WB**, watched by an estimated 20 million. They have also been featured on ABC, NBC, CBS and CNN, and even spoofed on **Saturday Night Live** and **Mad TV** on the Fox network. For over ten years they have had their own television show called **The Power Connection**, viewed by millions around the world each week.

The Power Team has performed in over 26,000 school assemblies over the past 20 years, and is ranked as one of the top school assemblies in the nation. Believing that inspiration and motivation equals academic and personal achievement, they tackle the tough issues of drugs, alcohol, violence, abstinence, peer pressure, and suicide. Schools appreciate the ability of The Power Team to customize the topics, content, and presentations to match their audiences. From elementary ages to high school, young people all over the world have been challenged and changed by their positive messages.

The various members of The Power Team are among America's most sought after speakers, encouraging people to live a life of excellence and challenging them to be the best that they can be. The Power Team has an unparalleled history, with proven effective methods, that churches, corporations, cities and organizations utilize to draw people from all walks of life reaching their communities with powerful, life-changing messages of hope and inspiration.
